Academic

University of Notre Dame – Fall 2007 to Present

Professional Experience:

- Teaching Professor – Organize and instruct undergraduate (Measurement and Disclosure I; Audit and Assurance Services) and graduate accounting (Advanced Topics in Measurement and Disclosure) courses. Design curriculum for each class and implement motivational instructional methods in order to facilitate student participation and advanced learning. Serve as invited guest lecturer in undergraduate, graduate and executive MBA ethics classes.
- Curriculum Committee – Advise concerning curriculum enhancements to undergraduate accounting & auditing courses and graduate accounting courses.
- *Building Bridges Program* – serve as a mentor in University program designed to assist incoming freshmen from historically underrepresented backgrounds to succeed academically at Notre Dame
- Past Chair, Special Professional Faculty Executive Committee – Elected by vote of the Special Professional Faculty to chair the University organization charged with representing the non-tenure track regular faculty engaged in teaching, research, library and administrative activities. Members of the committee include SPF who serve in the Faculty Senate, on the Academic Council, and on various University Standing Committees
- Academic Director, Master of Sciences in Accountancy Program – Responsible for curriculum planning and development; Chair of MSA Admissions and Curriculum Committees; advise Graduate Business office on matters of admissions, operations and placement

Deloitte & Touche LLP – 1984 to 2007

- Trueblood Seminar for Professors (joint sponsorship of Deloitte Foundation and American Accounting Association) Seminar discussion leader annually from 1991 to 2007

- National Level instructor on a variety of accounting and auditing topics for auditors at all levels through partner annually from 1984 through 2007. Classroom/presenting time routinely exceeded 50 hours per year. Subjects taught in latest five years at annual partner and senior manager training included: income tax accounting, cash flow statements, segment reporting, internal control testing and assessment, fraud risk assessment, variable interest entities, revenue recognition, auditing fair value, tangible and intangible asset impairments, hedge documentation, contingent assets and liabilities, auditors' reports, auditor independence and professional ethics.

**Non-Academic
Professional Experience:**

Deloitte & Touche LLP – 1980 to 2007
